AMONG THE LODGES.

MEETINGS THIS WEEK.

Monday night—Mt. Vernon Lodge, Odd Fel-
lows; Hiawatha Tribe, Red Men; Washington
Camp, Patriotic Order, Sons of America, Pleas-
ants Lodge, Masons.
Tuesday night—Magic City Encampment,
Roanoke Lodge, B. P. O. Elks; Lakeland Lodge
Masons.
Wednesday night—Virginia Castle, Mystic
Chain; Reliance Council, Jr. O. U. A. M.
Thursday night—Mountain Dale Lodge, Odd
Fellows; Osceola Lodge, Knights of Pythias.
Friday night—Wahoo Tribe, Red Men; Roan-
oke Castle, Mystic Chain; Roanoke Castle,
Knights of the Golden Eagle.
Saturday night—Southwest Council, Jr. O. U.
A. M.

Mount Vernon Lodge, No. 90, I. O. O.
F., has elected J. A. Page representa-
tive to the grand lodge of Virginia,
which meets in Richmond next month.
C. D. Fox has been elected a special
representative to present a certain con-
troversy before the grand lodge which
has been pending between the two
lodges in this city for several months.
At the meeting held Monday night one
application for initiation was received
and several applications for degrees
were acted upon. To-morrow night the
lodge will have two candidates for the
third degree.

C. D. Fox, a member of Mount Ver-
non Lodge of Odd Fellows, has just
received a fine chart containing por-
traits of Thomas Wilkey and many
other distinguished Odd Fellows down
to the present day. The chart will be
hung up in the hall of Mount Vernon
Lodge.

Pleasants Lodge, No. 63, A. F. and A.
M., had a called communication Mon-
day night and conferred the fellow-
craft's degree on two candidates. Quite
a number of visitors were present.

A called communication of Pleasants
Lodge, Masons, was held last night.
The third, or sublime degree of Master
Mason, was conferred on two candidates.
There were several visitors from James
Mason Lodge, at Buchanan, present,
who highly enjoyed the work as con-
ferred in Roanoke. Worshipful J. E.
Reichardt presided as master.

Murray Chapter, No. 22, Royal Arch
Masons, met Thursday night, and in
addition to the transaction of consid-
erable business of a routine character,
several degrees were conferred. Work
in the chapter, which has been behind
for some time, is now in pretty good
shape. The two lodges, Lakeland and
Pleasants, are good feeders to the chap-
ter, and the lodge at Hollins
frequently furnishes a candidate for the
degrees.

A movement is on foot to institute a
canton, which is the military degree of
the Odd Fellows. No one but a mem-
ber of the encampment can become a
member of the canton. The uniform
of this degree is the most beautiful of
any order existing in this country.
The movement has been started by
several prominent members of the en-
campment, and the indications are that
it will be consummated at an early day.
Several members of the encampment
at Salem will go into the organization.

Mountain Dale Lodge, No. 49, I. O. O.
F., conferred the second degree on one
candidate Thursday night. There was
a very good attendance, among them
being several visitors. The lodge ex-
pects to report a considerable increase
in membership over last year, when
the Grand Lodge convenes next month
in Richmond.

Reliance Council, No. 18, Jr. O. U. A.
M., conferred the degrees on one
candidate Wednesday night. Several
other applications have been acted
upon, and next meeting night there
will be a great deal of work on hand.
The band which was organized under
the auspices of this council is getting
along nicely, and will soon be able to
appear on the streets.

Roanoke Castle, No. 6, Knights of the
Golden Eagle, held a very interesting
meeting Tuesday night and conferred
the second degree on one candidate. J.
K. Thomas, the noble chief, is doing a
good work with the castle, and has suc-
ceeded in enlisting the interest of the
entire membership.

Osceola Lodge, No. 47, Knights of
Pythias, conferred the rank of knight
on eight candidates Thursday night.
The amplified form was worked, of
course, and, as is usual on such occa-
sions, the attendance was very large.
The lodge is now thinking of building a
new hall, as the present quarters are
wholly inadequate to the demands of
the large and growing membership.
The lodge owns a fine lot on Commerce
street, just opposite the courthouse.

Mountain Dale Lodge, No. 49, I. O. O.
F., has elected Henry Neal as repre-
sentative to the grand lodge of Virginia,
which meets in Richmond the middle of
next month. Mr. Neal is a wide-awake
Odd Fellow and will make a good rep-
resentative. Besides being proficient in
the work he is a ready and fluent
talker and will see that the interests of
his lodge are maintained in all in-
stances.

Lester Piano.

This is, indeed, a wonderful piano.
It has created a sensation in music
circles. The idea of a strictly first-class
piano at \$450 and \$400 is remarkable.
This is just what the Lester is. You
cannot afford to buy a piano before see-
ing the Lester. Hobbie Music Com-
pany, sole dealers. Each piano war-

Opera House To-morrow Night.
The Wheeling, W. Va., Register
speaks as follows of the Irwin Brothers'
Company and Vaudeville Company,
which appears at the Opera House to-
morrow night:

"At 8 o'clock last night the Grand
was crowded to see the Irwin Brothers'
Specialty Company, which is one of the
best shows of the kind that has ap-
peared here this season. The features
and performers were nearly all new,
and every act was a perfect ovation. In
fact the Irwin Brothers' Company made
such a hit last night that they are
likely of a crowded house again this
evening."

It is made of the finest Henry County

make it.

AN AMUSING TRICK.

But It Proved Rather Expensive to the
Operator.

A certain young saloonist of this
city, popularly known as the "Feather
Weight," recently procured a small but
exceedingly cute machine for the man-
ufacture of greenbacks, but his experi-
ence with it has so far proven more ex-
pensive than amusing.

The modus operandi is to insert within
the rollers a small slip of white paper,
corresponding in size, and as nearly as
possible in texture, with a one dollar
Treasury note. The crank is turned a
few times and a genuine bill drops out
into the hands of the astonished (?)
spectator.

Several gentlemen called to see the
"money maker," and kindly furnished
the papers, and as cheerfully pocketed
the bills that were rolled from the ma-
chine, leaving the operator minus their
face value, or under the necessity of
giving away the trick. He has laid the
"machine" away and will not bring it
forth unless he is convinced that the
spectators are veritable greenhorns.
